

## PRESS RELEASE

### Win free holidays at rural guesthouses in Europe

Guest Inn, the Greek network of selected traditional rural accommodations, in the framework of cooperation with European networks, takes part in a European research project on the precise designation and the further enhancement of “countryside tourism”.

The research has been initiated by the Agrotourism Organization of Latvia in cooperation with Eurogites, the European Federation for Farm and Village Tourism, and the Agrotourism Organizations of Spain, Greece, Slovenia, and Bulgaria.

By filling in the questionnaire at the network website [www.guestinn.com](http://www.guestinn.com), the participants contribute to enhancing the offered services and at the same time have the opportunity to win a week of free accommodation at one of the guesthouses or the traditional houses of the following countries: Spain, Greece, Slovenia, Bulgaria, and Latvia.

Those interested can fill in the questionnaire by the end of April when the lottery will take place and winners will be announced.
